

# 1987 ARTICLE INDEX

*Compiled by Cassie Kupstas, MBA Librarian*

**T**he 1987 Index is divided into two parts: Author/Title and Subject. The Author/Title section lists all 1987 MORTGAGE BANKING articles alphabetically according to author's last name and article title. The titles are italicized and author names appear within parentheses.

In the Subject section, all 1987 MORTGAGE BANKING articles are listed alphabetically according to title under the appropriate subject; some articles may appear under more than one subject. To assist your searching needs, the subject headings are listed below. It is recommended that you check this list first to determine under which heading your topic would be and then proceed to that part of the subject index.
